WHAT'S INSIDE THE WEBINAR SWIPE FILE?

The Webinar Swipe File gives you lifetime access to the recordings, transcripts, slide decks, and outlines from 8 proven webinars.

In other words, all the material you'll ever need to quickly create webinars you can trust to convert—even if you struggle with what to say, how to say it, or how to sell without feeling like a pushy Internet weirdo.

Webinar Recordings .mp4 files you can watch at 1.5x or 2x speed.		Full Transcripts Word-for-word Google docs with timestamps and slides embedded throughout for easy skimming.	
Detailed Outlines Everything is jump linked, so you can click straight to the part you want to read or watch.		Complete Side Decks In both Powerpoint and Keynote formats.	

The Webinar Swipe File makes cherry-picking the best sales strategies from the following webinars as simple as skimming through a blog post. Just point and click to jump straight to the part you want to study—whether it's the offer, a transition, a teaching segment, or anything else.
